Dear Mr Fesmire

Thank you for all your efforts to protect our environment. I live off of Godlmine Rd (State 55) and am deeply opposed to the drilling proposed by TectonEnergy. My work requires that I travel a great deal, and so am unable to attend hearings in person. I would like to go on record in support of repealing Rule 50 and replacing it with a more stringent one:  
19.15.17 NMAC

Yours Sincerely,  
Mary Springfels
