Subject: Support the band on Open Pits

Dear Fesmire,
This short note is to confirm my support for the band on the open pits used in oil drilling. I support the Oil Conservation Division's proposal to repeal Rule 50 [9.15.17.2.50 NMAC] (concerning pits and belowgrade tanks) and replace it with the new rule to be codified as 19.15.17 NMAC. You are doing the right thing in looking out for the safety and health of the citizens of New Mexico.
Thank you,

Bill Manns
