6 that present are Commissioner Bailey and Commissioner

8 members of the Commission does make up a quorum.

9 The first issue before the Commission this
10 morning is the adoption of the minutes from the September

12 Bailey if she's had a chance to review the minutes.

16 in favor signify --

17 COMMISSIONER BAILEY: Aye.

18 CHAIRMAN FESMIRE: Aye.

19 Let the record reflect that the quorum of the
20 Commission present adopted the minutes from the September

25 CHAIRMAN FESMIRE: During this meeting, the

1 Commission may conduct a closed-door executive session,
2 during which it will deliberate in conjunction with
3 administrative adjudicatory proceedings pending before the
4 Commission or consult with the Commission counsel under the
5 attorney-client privilege concerning threatened or pending
6 litigation in which the Commission is or may become a
7 participant.

8 In that vein, Case Number 13,817, the Application
9 of Harvey E. Yates Company for an exemption from Oil
10 Conservation Commission Rule 1915.2.50.A NMAC has been
11 heard by the Commission. An order was issued and the order
12 was appealed.

13 Harvey E. Yates Company has approached the
14 Division concerning the appeal --

15 Should we go into executive session for the --
16 just for the deliberations, or for the presentation of the
17 offer?

18 MS. BADA: For both.

19 CHAIRMAN FESMIRE: Okay. So at this time the
20 Commission will go into executive session for the sole
21 purpose of hearing a matter concerning Case Number 13,817,
22 the Application of Harvey E. Yates Company.

23 (Off the record at 9:04 a.m.)

24 (The following proceedings had at 9:16 a.m.)

4 13,817, the Application of Harvey E. Yates Company for an
5 exception from Oil Conservation Commission Rule 1915.2.50.A
6 NMAC.

7 The decision of the Commission was to take no
8 action on the offer of settlement.

10
11 CHAIRMAN FESMIRE: The next issue before the
12 Commission is Cases Number 13,492 and Case -- consolidated
13 with Case Number 13,493.

14 13,492 is the Application of Samson Resources

19 Chesapeake Permian, LP, for compulsory pooling in Lea
20 County, New Mexico.

21 Counsel Bada, would you bring the Commission up
22 to speed on these cases?

23 MS. BADA: The parties have asked for a
24 continuance of their request for rehearing because they're
25 in settlement negotiations, and they have submitted a

1 proposed order that would settle the case and that would
2 dismiss the rehearing.

3 CHAIRMAN FESMIRE: Commissioner Bailey, we have
4 before us an order drafted by Counsel Bada to that effect.
5 Have you had a chance to review that order?

6 COMMISSIONER BAILEY: Yes, I have, and I move
7 that we adopt it.

8 CHAIRMAN FESMIRE: I second that motion.
9 All those in favor signify by saying aye.

12 Let the record reflect that the motion to sign

23 of establishing proper waterflood injection patterns and
24 for a temporary exemption from the provisions of Division
25 Rule 203 concerning approved temporary abandonment of wells

1 in Eddy County, New Mexico.

2 It's my understanding, Counsel Bada, that the
3 counsel in this case has asked that the Commission dismiss
4 that case, and that you have drafted an order to that
5 effect?

6 MS. BADA: Yes, an order has been drafted to that
7 effect.
