In the interest of efficiency, I will approve the latter procedure.

David: I have reviewed federal and county lease records (all leases involved are federal leases), and have ID'd 2 or 3 more WIO's who are entitled to notice under your last e-mail (all pertinent well operators were notified). Questions: Do I need to re-open the case, or can I mail notice (with copy of the C-108) and give the WIO's 20 days to object?

Jim
