Re: Case No. 13990  
Application for Compliance Order Against Pogo Producing Company

Dear Mr. Ezeanyim,

Case No. 13990 is currently scheduled for hearing on the October 18, 2007 docket. Pogo Producing Company (Pogo) has requested a second meeting with the Oil Conservation Division (OCD) to discuss the case and determine if the matter can be resolved through an agreed compliance order. Pogo has scheduled that meeting for the morning of October 17, 2007. The OCD agreed to that meeting on the condition that the hearing be continued.

The OCD respectfully requests that the hearing in this matter be continued to the November 1, 2007 docket, to allow the parties to determine if a resolution is possible.

Sincerely,

Gail MacQuesten  
Attorney for the Oil Conservation Division
