8. I have researched the OCD's well files and production records for the Michael State No. 001, API No. 30-015-24877. A change of operator from Finney Oil Company to C & D Management Company d/b/a Freedom Ventures Company was approved on June 20, 2006 for the Michael State No. 001, API No. 30-015-24877. The companies recorded the effective date of this change as November 1, 2005. Finney Oil Company reported this well on its C-115 for the month of April, 2006; since the operator change had not been submitted at this time, the well was still on Finney Oil Company's C-115. The well did not produce or inject any volumes. This is the last C-115 received by the OCD for this well.

9. I have researched the ONGARD records for production and injection information regarding the following wells:

Exhibit A is the Summary Balancing Report for C & D Management Company d/b/a Freedom Ventures Company. According to the Summary

Balancing Reports, C & D Management Company d/b/a Freedom Ventures Company has not reported any production since March 2006.
