**Subject:** Continuation Request - Case No. 14006

This is a formal request to continue the referenced Case till the November 15, 2007 Docket. After discussion with Sonny Swazo he indicated that this was agreeable with him. This will allow us time to complete the proper plugging of the well in question and be able to submit the proper paperwork on the completion of the well.

Thank you for your attention to this matter and Chaparral will await your decision on this matter.
