Re: Case 14008, Yeso Energy, Inc.

Dear Mr. Ezeanyim:

The above-referenced matter is currently scheduled to be heard on October 18, 2007 at 8:15 a.m. We were recently contacted by Ernest Padilla, Esq., who informed our office that he has been retained to represent the Operator in this matter. Mr. Padilla has a scheduling conflict with the currently-scheduled setting, and has asked that we agree to continue the matter to another date. The Oil Conservation Division has no opposition to this request, and therefore requests that the matter be continued to **November 29, 2007**. Opposing joins in this request.

Sincerely,

Mikal Altomare
OCD Attorney
