Mr Lee,

The last activity relating to C115's on our website under your OGRID was on June 23, 2006. You will receive an email notification of acceptance or rejection for each C115 submitted. You can also check the status of a C115 by going to OCD Online, selecting E-Permitting and selecting 'Permit Status' under Operator Data. Enter either your OGRID or find your Operator Name in the dropdown, select 'C115' from the 'Permit Type' dropdown and then click the 'Filter' button.

Sorry,

I will get them submitted by Monday am. I thought it showed they were sent. Is there any certain way I can confirm they were received for sure? I am out of town until Sunday am, but will have them in to you and follow up with an email and/or phone call to insure you did receive them.

Gene

I received a letter from Gail McQuesten about delinquent C115's and revoking my authorization to transport.

I have been out of commission for several months due to health problems. I thought that the lady in Midland, TX was filing all the C115's and just found out that she was filing only on the Whiting Pet wells transferred to Yeso for Aleanna Resources, Inc.

I will get the info back today from Midland, TX and will get the C115's filed by Wed PM.
