Re: Request to Continue Matter No. 13812, Application of Coleman Oil & Gas, Inc.

Dear Commissioners:

The above-referenced matter is currently schedule to be heard on January 22, 2008 at 9:00 a.m. The OCD has discussed the upcoming scheduled hearing with counsel for Applicant Coleman, and both parties would like to request that the matter be continued to a later setting.

The OCD therefore hereby requests that the matter be reset to the March 13, 2008 docket. Coleman has indicated that it does not object to a March setting.

Sincerely,

Mikal Altomare  
OCD Attorney
