

- **Case No.** 14041. Application of the New Mexico Oil Conservation Division for a Compliance Order against MARKS AND GARNER PRODUCTION LTD. CO.. The Applicant seeks an order finding that operator is in violation of 19.15.4.201 NMAC as to twenty-three (23) wells, or, alternatively, that Operator is in violation of 19.15.13.1115 NMAC; requiring operator to plug and abandon the twenty-three (23) wells by a date certain and/or to file any delinquent production reports relating to the subject wells by a date certain, thus bringing them into compliance with 19.15.4.201 and 19.15.13.1115 NMAC, and authorizing the division to plug said wells in the event of non-compliance. The twenty-three (23) affected wells are:
