Re: Case No. 13106/Order No. R-12001/Fasken Oil & Ranch, Ltd.  
(operator)

Dear Ms. Wrotenbery:

The above order granted the operator until November 15, 2003 to commence its proposed well. The operator requests a 60 day extension of the well commencement deadline. The reason for the request is that the operator has recently learned of additional geophysical data which will assist in drilling the well. It will take some time to obtain this data from another interest owner, and to process the data. Thank you for your consideration of this request.

(Mr. Kellahin was the attorney for the operator in this case, but is currently out of town, which is why I am writing to you.)

Very truly yours,

James Bruce

Attorney for Fasken Oil & Ranch, Ltd.
