Re: Subpoena Duces Tecum

Dear Ms. Nichols:

This is in response to a subpoena duces tecum issued by the State of New Mexico Energy, Minerals and Natural Resources Department, Oil Conservation Division, dated October 7, 2008, at your request, ordering the Bureau of Land Management ("BLM") to produce requested documents on October 9, 2008, and ordering a BLM employee, John Simitz, to testify on October 15, 2008. The Department of the Interior has promulgated regulations at 43 C.F.R. Part 2, Subpart H, which govern the production of documents and the testimony of employees. The Department's general policy is to not allow its employees to testify or to produce Department records either upon request or by subpoena. 43 C.F.R. § 2.81(a). If a request is submitted pursuant to these regulations, an agency official will decide whether to allow testimony or production of records under this subpart. 43 C.F.R. § 2.81(a). If you would like to submit a request pursuant to the regulations, you may direct your request to the following:

Linda Rundell, State Director
Arizona State Office, BLM
P.O. Box 27115
Santa Fe, NM 87502-0115

Chuck Schmidt, Acting Field Manager
Roswell Field Office, BLM
2909 West Second Street
Roswell, NM 88201

As of this date, we have not received a request which complies with the regulations. Thus, the requested documents will not be produced on October 9, 2008, and Mr. Simitz will not testify on October 15, 2008. *See* 43 C.F.R. § 2.81(b) (no Department employee may testify or produce records in any proceeding to which this subpart applies unless authorized by the Department under §§ 2.80 through 2.90) and § 2.83.

In the future, please comply with the Department's regulations at least two weeks prior to the anticipated testimony, so that sufficient time is afforded to review the request in conjunction with the regulations cited herein. Please feel free to contact me at (505) 248-5605 should you have any questions.

Sincerely,

Janet Wong
