Attn: Richard L. Stamets

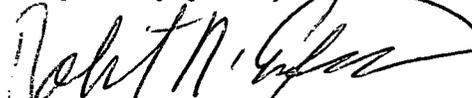

Dear Mr. Stamets:

I requested and received the above captioned order dated November 30, 1982, force pooling certain interests under the S/2 of Section 7, Township 19 South, Range 27 East, Eddy County, New Mexico. The forced pooled lands were 10.71 acres of Bureau of Reclamation land in the Lake McMillan reclamation project.

At the USA KGS sale on August 31, 1983, I purchased this acreage and am now the owner of the leasehold rights to the 10.71 acres with the US government having a royalty.

Therefore it is requested that Order No. R-7142 be rescinded as there are no unsevered mineral interests. *Phoned Bob and advised him that this is not necessary.*

Very truly yours,
