OIL CONSERVATION DIVISION    RECEIVED

IN THE MATTER OF THE APPLICATION
OF JOHN YURONKA TO CONVERT THE
HARRISON A NO. 2 WELL LOCATED IN
SEC. 29, RANGE 24 SOUTH, TOWNSHIP       NO. 7719
37 EAST, N.M.P.M. INTO A WATER
DISPOSAL WELL, ALL WITHIN LEA
COUNTY, NEW MEXICO.

## A P P L I C A T I O N

Comes now John Yuronka, individually and by his attorneys,

Jasper & Buell, and applies to the Oil Conservation Division

for an order to convert the Harrison A No. 2 well into a water

disposal well and in support thereof states:

1.   The applicant is the operator of the Harrison A

No. 2 located in Section 29, Range 24 South, Township 37 East,

and further located approximately 2310 feet from the North line

and 1650 feet from the West line of said section.

2.   At the present time said well is producing from

the Langly-Mattix pool approximately ten (10) MCF of natural

gas per day and approximately eighty (80) barrels of water per

day and is uneconomical.

3.   Applicant proposes to dispose of "salt water"

from other wells he operates in the area into the Langly-

Mattix pool through this well at perforations now at a depth

of between 3,400 to 3,501 feet, inclusive.

4.   Other parties that may be interested in this

application are:

Continental Oil Company
Hobbs, New Mexico

Arco Oil and Gas Company
Midland, Texas

The person who presently controls the surface rights of the lands involved is:

J. T. Crawford
Jal, New Mexico

Although applicant states this on information and belief, applicant is unaware of who the owner of the fee title to this land may be.

5.   Applicant will present into evidence at the hearing his form C-108, with attachments.

6.   This matter may be heard by the Oil Conservation Division or by one of its examiners.

7.   The granting of this application will prevent waste and protect correlative rights.

Respectfully submitted,

JASPER & BUELL
