Jan – If you want to prepare an O/A and forward for signature, please use the following info:  
Chase Oil Corporation – 85% in NW/4 or 42.5% in N/2, by Ronald W. Lanning, Attorney in Fact.  
Robert C. Chase – 5% in NW/4 or 2.5% in N/2.  
Richard L. Chase – 5% in NW/4 or 2.5% in N/2.  
Gerene Dianne Chase Ferguson, dealing in her separate property – 5% in NW/4 or 2.5% in N/2, by  
Rebecca S. Ericson, Attorney in Fact.  
I've attached an 89 form Brent and I agreed to a couple of years ago. If you can stick pretty close to it, we  
can probably avoid spending time on negotiating changes.  
We will get an assignment into Robert, Richard and Dianne out today for recording.

Scott – Will a certified letter from me, as Land Manger, to you, Tom, Chesapeake, and the NMOCD suffice  
for support of COG's applications?

Ron:

I'd like to be able to present signed AFE's as hearing exhibits. Executed signature pages from JOA's would be  
even better. I think Bill Carr will be there for the Marbob cases in any event, so if you would authorize him to make  
a statement in support of COG's Andromeda applications on your behalf, that would help.

Thanks.

Scott – We want to do what we can to help COG in the N/2 of 14-15-31 – Andromeda Federal Well Nos. 1 and 2. Other than approval of their AFE for the #1, what can we do to help???
