Subject: RE: Case 14248 ConocoPhillips Company proposed Compulsory Pooling of Petrohawk

Hi Will--I just heard from Alan Alexander that ConocoPhillips has just received the agreements from Petrohawk. Thus, there is no need for an order--Please dismiss this case. Thanks, Tom

Subject: Case 14248 ConocoPhillips Company proposed Compulsory Pooling of Petrohawk

Hello Tom:

This case was heard 12/4/08 and I am preparing to write it up, but since Petrohawk was the only party being Pooled – thought I would ask you if they have reached any agreement that would negate the need for an order.

In summary, it is a proposal to pool the S/2 of Section 2 T30N R8W for Mesaverde and the W/2 of Section 2 in which Petrohawk has an interest for the Dakota. The proposed well would be the second Mvrd and the second Dkta completion in their respective spacing and proration units.

Hope all is well,

Regards,
