RE: **2009 PLAN OF DEVELOPMENT**
LINDRITH UNIT, T SEC. NO. 713
RIO ARRIBA COUNTY, NEW MEXICO

Gentlemen:

By letter dated March 24, 2008, the Plan of Development (POD) for the calendar year 2008 was filed by Energen Resources Corporation as Unit Operator.

No further operations by Energen for the drilling/recompletion or abandonment of wells within the Lindrith Unit are anticipated to be conducted during 2009.

ConocoPhillips Company, (successor to Mobil Exploration and Producing U.S., Inc.) as Sub-Operator of depths below the Pictured Cliffs formation, will separately submit their proposed 2009 POD for the Gallup and Dakota formations.

The Pictured Cliffs Participating Area had its thirteenth expansion. As of this date, there are 75 producing, five shut-in and 17 plugged and abandoned Pictured Cliffs wells in the Lindrith Unit.

Energen owns 100% of the working interest in the Pictured Cliffs Participating Area and believes that all current obligations have been satisfied.

Energen, as Unit Operator, plans to drill any offset wells required to prevent drainage of unitized substances and any other wells deemed necessary or desirable by the Unit Operator and the Working Interest Owners.

In accordance with Section 10 of the Unit Agreement, please advise of your approval by executing in the space provided below and returning a copy to the undersigned.

Please contact the undersigned at (505) 325-6800 if there are any questions regarding this letter.

Sincerely,

David M. Poage
District Landman
