1 WHEREUPON, the following proceedings were had on
2 Thursday, September 11th, 2003, at 9:06 a.m.:

3 CHAIRMAN WROTENBERY: Okay, this is the beginning
4 of the Commission's hearing scheduled for Thursday,
5 September 11th, and Friday, September 12th, 2003.

6 As the Commission's presiding officer, I'll start
7 by just announcing that Case 12,969, which is the
8 Application of the New Mexico Oil Conservation Division
9 through the Environmental Bureau Chief for adoption of a
10 new rule regulating pits and below-grade tanks and
11 amendment and rescission of several other Commission rules
12 and orders will be continued to the Commission's hearing on
13 October 16th, 2003. We were planning to take testimony in
14 that case today, but because of some notice issues that
15 arose, we have continued that case so we can make sure that
16 due notice is given in accordance with the Division's
17 rules.

18 As far as the other items that are on the
19 Commission's docket for this hearing, we will recess this
20 hearing until nine o'clock tomorrow morning, that's Friday,
21 September 12th, 2003, at which time we will take up the
22 other items on the Commission's docket.

23 Anything further I need to note for the record,
24 Mr. Brooks?

25 MR. BROOKS: Okay, nine o'clock tomorrow morning

1 in Porter Hall.

2 CHAIRMAN WROTENBERY: In Porter Hall, yes.

3 MR. BROOKS: Okay. No, I don't know of anything.

4 CHAIRMAN WROTENBERY: Okay, then that will do it
5 for this morning. We'll get back together in the morning.

6 Thanks.

7 (Thereupon, these proceedings were concluded at
8 9:08 a.m.)
