1 HEARING EXAMINER: At this time we'll call Case
2 No. 14306, the Application of Mewbourne Oil Company for
3 compulsory pooling in Eddy, County, New Mexico.

4 Call for appearances.

5 MR. BRUCE: Mr. Examiner, Jim Bruce of Santa Fe
6 representing applicant. I'm also submitting this matter
7 by affidavit.

8 HEARING EXAMINER: Okay.

9 MR. BRUCE: Mr. Examiner, Exhibit 1 is the
10 affidavit of Corey Mitchell, landman for Mewbourne Oil
11 Company. And Mewbourne seeks to force pool the northwest
12 quarter of the southeast quarter of Section 15, Township
13 20 South, Range 25 East from the surface to the base of
14 the Yeso formation.

15 There are a few small interest owners being
16 force pooled. The affidavit lists the interest owners
17 being pooled. On Page 2, you will notice that the word
18 "dismiss" is written after five of the interest owners.
19 They recently joined in the well and they are not subject
20 to this pooling. The only parties being pooled are Nadel
21 and Gussmann Capitan, LLC, and Colkelan Corporation.

22 This is a small single fee tract. And
23 Attachment A is a land plat. Attachment B is the
24 communications between the various parties. And
25 Attachment C is the AFE for the well. Is it an \$883,000

1 Yeso test. And the overhead rates are \$4,000 a month for
2 a drilling well, and \$400 a month for a producing well.

3 All of the parties were located, and Exhibit 2
4 is my affidavit of notice and showing that the green cards
5 were received by all parties, even though a number of them
6 will not be subject to a pooling order.

7 And I would move the admission of Exhibits 1 and
8 2 and ask that this matter be taken under advisement.

9 HEARING EXAMINER: What was the overhead
10 percentage on this?

11 MR. BRUCE: \$4,000 and \$400.

12 HEARING EXAMINER: Okay, Exhibits 1 and 2 will
13 be admitted. And Case No. 14306 will be taken under
14 advisement.
