Terry,

Briana Campbell, with Merrion Oil & Gas Corporation, tells me that the issues outstanding with the interest owner whose objections led to the perpetuation of this case have been fully resolved. She says, in fact, that the owner, Richardson Operating Company, has sent a letter to the NMOCD withdrawing its objections to the entry of an order in this case. Briana will be checking with Florene Davidson to confirm that the Richardson letter has been received by the NMOCD.

Pending confirmation of NMOCD receipt of the Richardson letter and completion of any other administrative details, Merrion requests that this case be continued to the April 2, 2009 NMOCD docket. That should give us plenty of time to wrap things up.

Thanks for bringing this to my attention.

Hi Tommy,

I see good old case no. 14162 is back on the docket once again
This case first appeared on the OCD Docket back in August 2008
My question is are we going to hear it Thursday?

Thanks,
