Mr. David K. Brooks
Hearing Examiner

Dear David,

Notwithstanding Raser Power System, LLC's (Raser) representation by competent council, we want to advise you that Raser failed to present AmeriCulture with a copy of their pre-hearing statement, by facsimile or email, prior to the November 21st deadline set forth in your letter of November 13, 2008. Instead, Raser's pre-hearing statement was conveyed out of time on the afternoon of November 24th. As a result, AmeriCulture did not have the benefit of information contained therein until that time.

Furthermore, in the Notice of Public Hearing signed by Mark Fesmire, those submitting pre-hearing statements were instructed to "provide a summary or outline of the anticipated direct testimony of each witness." Raser's pre-hearing statement is devoid of any such summaries or outlines for each of its five witnesses.

Conversely, the witness for the direct case, including a detailed summary of the direct testimony, was set forth in AmeriCulture's pre-hearing statement. As a result of Raser's submission out of time and pre-hearing statement deficiencies, we reserve the right to produce rebuttal witnesses since we cannot determine what Raser's witnesses are going to testify to.

We look forward to meeting you on December 1st and engaging in this important process.

Sincerely,

Damon Seawright
President
