**Subject:** Case No. 14190

Dear Mr. Larson

This case was heard on October 16, 2008. No order has been issued because Mr. Langlitz is out of compliance with OCD Rule 5.9 due to inactive wells, and is therefore ineligible to receive a salt water disposal permit.

Please advise Mr. Langlitz that if he does not resolve his inactive well issues and any other applicable compliance issues before June 1, this case will be dismissed without prejudice.

Sincerely

David K. Brooks
