1	WHEREUPON, the following proceedings were had at
2	8:15 a.m.:
3	EXAMINER STOGNER: This hearing will come to
4	order. Please note it's Docket Number 35-03. Today's date
5	is October 23rd, 2003. I'm Michael Stogner, appointed
6	Hearing Officer for today's dates.
7	At this time we'll go over the continuances and
8	dismissals that we have at this time.
9	First page, Case 12,776, this is a reopened
10	matter to consider the provisions of Order Number R-11,723
11	for the East Penasco Draw-Upper Pennsylvanian Pool in Eddy
12	County, New Mexico. This case will be continued to
13	November the 7th, 2003.
14	Next case, Case 13,170, the Application of
15	Energen Resources Corporation to expand the Langlie-Lynn
16	Queen Unit Waterflood Project in Lea County, New Mexico.
17	This case will be continued to December the 4th.
18	Next case, 13,144, is the Application of Permian
19	Resources, Inc., for special pool rules or, in the
20	alternative, for an unorthodox well location, Lea County,
21	New Mexico. This case will be continued to December the
22	4th.
23	Next case, 13,171, this is the Application of
24	Leede Operating Company, L.L.C., for compulsory pooling,
25	Lea County, New Mexico. This case will be continued to

.

1 November the 20th.

...

2	I need to bring this up too, and I'm sorry I
3	didn't do that. Due to a change in the schedule, the
4	November or what we would have normally scheduled for
5	November 6th, would have been a Thursday, the hearing has
6	been moved to November 7th. That would be the Friday.
7	That was called by the Director. So if you see November
8	the 6th anywhere on the docket today, please change that to
9	November 7th.
10	Okay, let's see. Second page, Application of
11	Mewbourne Oil Company for an unorthodox oil well location,
12	Lea County, that's Case 13,172, this case will be continued
13	to the November 7th docket.
14	Okay, let's go to page 3. Case 13,156, this is
15	Chi Energy, Inc., for compulsory pooling, Eddy County, New
16	Mexico. This case will be dismissed.
17	Case 13,173, Application of Merrion Oil and Gas
18	Corporation for an unorthodox infill coal gas well
19	location, San Juan County, New Mexico. This case will be
20	dismissed. This case should never have showed up on
21	today's docket. It was withdrawn prior to it getting on
22	the docket due to lack of communication on my part with the
23	appropriate people. It got on the docket and I apologize
24	for that. It was an administrative application that was
25	going to be set for hearing but was withdrawn prior to

continued to November 20th. 1 EXAMINER STOGNER: Continued to November 20th. 2 3 Just as a reminder, before I do, we're having a 4 lot of continuances and dismissals, and it has appeared 5 over the last few months that the dockets in some cases are small and then they turn large some other times, so we may 6 m2. 7 need to adjust at a later date. 13134 At this time, though, Case 13,129, will be 8 9 continued to the November 20th docket. 10 MR. EXAMINER STOGNER: Okay. 1 2 MR. BRUCE: And finally, Mr. Examiner, on the 3 bottom of that page, the Devon Energy case, that 4 Application has been amended and readvertised. That was 5 filed yesterday. It's for the November 20th hearing. Okay, let's see. Case 12,940 6 EXAMINER STOGNER: 7 will be continued to the November 20th docket. Devon Case 8 13,132 will be continued to and readvertised for the 9 November 20th docket also. 10 Any other continuances or dismissals at this time? 11 12 We're going to go through the docket, or the 13 remainder of the docket as it is. Before we call the Pride case, which will be the last one, Dave Catanach has been 14 15 involved in that matter, and he will be today's Hearing 16 Officer in that case, so we'll take a break and I'll go upstairs and get him and allow him time to change clothes 17 and put on a jacket and improve his appearance accordingly. 18 19 (Thereupon, these proceedings were concluded at 20 8:20 a.m.) 21 \* \* \* So hereby certify that the foregoing ra 22 a complete record of the proceedings in the Exerciser hearing of Case No. 12776 23 heard by me gn (123 October 2003. 24 Handred L.
