**APPLICATION OF EOG RESOURCES, INC.
FOR COMPULSORY POOLING,
EDDY COUNTY, NEW MEXICO.**

CASE NO. 14334

AFFIDAVIT OF DOUGLAS W. HURLBUT

STATE OF TEXAS)
) ss.
COUNTY OF MIDLAND)

I, Douglas W. Hurlbut, being first duly sworn on oath, states as follows:

1. My name is Douglas W. Hurlbut. I reside in Midland County, Texas. I am the Landman employed by EOG Resources, Inc. ("EOG") who is familiar with the status of the lands in Sections 17 and 18, Township 18 South, Range 30 East, NMPM, Eddy County, New Mexico.

2. EOG seeks an order pooling certain interest owners in the N/2 NE/4 of Section 18 and the N/2 NW/4 of Section 17 in the Bone Spring formation, to form a 160-acre project area for a horizontal well.

3. EOG owns a working interest in the N/2 NE/4 of Section 18 and the N/2 NW/4 of Section 17 and has dedicated this proposed project area to its Sand Tank 18 Fed Com Well No. 2H (**API 30-015-36578**) to be drilled from a surface location 430 feet from the North line and 2260 feet from the East line (Unit B) of said Section 18 to a depth of approximately 12,291 feet total MD and a bottomhole location 430 feet from the North line and 2310 feet from the West line (Unit C) of said Section 17. Attachment A is a plat of the subject lands showing the proposed project area, the producing area and the well location.

4. The proposed project area consists of four federal leases. Attachment B lists the nature and percentage of the ownership interests in the subject project area.

5. All mineral owners in the project area have voluntarily agreed to pool their interests. This application has been instituted solely to pool the interests of working interest owners who have not been found.

6. EOG has conducted a diligent search to locate Beatrice Anderson and Juliette Condon.

- a. Used a broker to search the county records in Eddy County, New Mexico.
- b. Searched Internet and could not find any listings.
- c. Looked for probate proceedings in the county records and found nothing.
- d. Sent well proposal and AFE to last known address and they were returned.
- e. Checked Yates Petroleum Corporation database and found nothing.

7. EOG requests that Ms. Anderson and Ms. Condon be pooled and EOG be designated operator of the well and the project area.

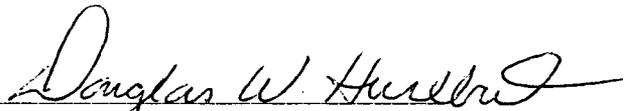

8. EOG proposes overhead charges (combined fixed rates) of \$6,000.00 per month while drilling and \$600.00 per month while producing.

9. Attachment C is a copy of the authorization for expenditure (AFE) for this well.

14. Attachment D is an affidavit of publication.

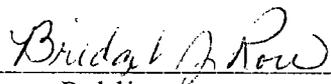

15. Approval of this application will avoid the drilling of unnecessary wells, will prevent waste, will protect correlative rights, and allow EOG and the other interest owners in the N/2 NW/4 of Section 18 and the N/2 NW/4 of Section 17 an opportunity to obtain their just and fair share of the oil and gas under the subject lands.

FURTHER AFFIANT SAYETH NOT.

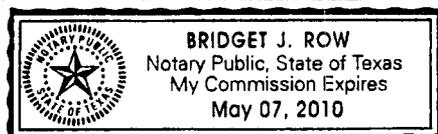

Douglas W. Hurlbut
