13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

The May 27, 2009 Pecos District Bureau of Land Management letter notifying us of approval of CHM, LLC as Successor Unit Operator of the Cat Head Mesa Unit No. NM-106852X also requested that we submit a Plan of Operator/Development within 60 days. We understand that a suspension of the current drilling requirement of the Unit Agreement is forthcoming to us. Therefore, we request an extension of the time for us to file the plan to be 30 days after receipt of the suspension.
