

The map displays the NADINE oil field with a grid of well locations. Each well is represented by a symbol (circle, square, triangle, etc.) and labeled with its name and number. The labels are often in a stylized font and may include additional information such as the well's status (e.g., "Producing", "Dry") or the owner's name (e.g., "Cheapeake", "McCasland"). The map is divided into sections by dashed lines, and some sections are labeled with numbers (e.g., 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100). The map also includes a legend in the top right corner, which defines the symbols used for different types of wells and other features. The overall layout is a dense grid of well locations, with some areas showing more wells than others. The map is oriented with North at the top.
