Re: Designation of Successor Unit Operator  
Antebellum Unit  
Lea County, New Mexico

Dear Mr. Becker:

This office has been notified that Wildcat Energy, LLC has been designated as the successor unit operator of the Antebellum Unit, Lea County, New Mexico. Our records reflect that Tenison Oil Company is still the operator of record for this unit. Since a change of operator has not been approved by this office, Wildcat Energy, LLC is operating the Antebellum Unit without authority.

In view of the above, please submit within (30) days, a resignation from tension Oil Company and the designation of Wildcat Energy, LLC as successor unit operator to this office for approval. Wildcat Energy, LLC must also accept the duties and responsibilities as the successor unit operator in writing.

If you have any questions or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

PATRICK H. LYONS
