NMOCD Case 8288  
Application of Bass Enterprises Production Co.  
For the approval of drilling islands and special  
Rules for the Potash-Oil Area, Eddy County, New Mexico

Dear Mr. Bailey:

Today, I received the two enclosed notices of hearing from the New Mexico Oil Conservation Division scheduling the referenced cases for hearing on December 4, 2003. These cases were filed by me more than 20 years ago and thereafter were resolved when the Commission adopted Rule 111-P. Apparently the Commission failed to dispose of them. While I no longer represent Bass Enterprises, the Division has sent me the enclosed notices. Please inform the Division of what Bass wants to do with these cases.

Sincerely
