Re: Application for Special Pool Rules for the Southeast Willow Lake Bone Spring Pool, Eddy County, New Mexico.

Ladies and Gentlemen:

This letter is to advise you that Marbob Energy Corporation has filed the enclosed application with the New Mexico Oil Conservation Division seeking special rules and regulations for the Southeast Willow Lake Bone Spring Pool, including a limiting gas:oil ratio of 5000 cubic feet of gas for each barrel of oil produced.

This application has been set for hearing before a Division Examiner at 8:15 a.m. on February 4, 2010. The hearing will be held in Porter Hall in the Oil Conservation Division's Santa Fe Offices located at 1220 South Saint Francis Drive, Santa Fe, New Mexico 87505. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 1208.B to file a Pre-hearing Statement four days in advance of a scheduled hearing. This statement must be filed at the Division's Santa Fe office at the above specified address and should include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.

Sincerely,

Ocean Munds-Dry
