Re: **Case No. 14421: Application of ConocoPhillips for amendment of Order No. R-2403, as amended, to increase the authorized injection pressure in the MCA Unit Area, Lea County, New Mexico.**

Dear Mr. Ezeanyim:

Due to the weather, the ConocoPhillips witnesses in the above-referenced case are unable to get to Santa Fe for tomorrow's hearing in the above-referenced case. ConocoPhillips therefore requests that this application be continued to the March 4, 2010 examiner hearing docket.

Your attention to this request is appreciated.

Very truly yours,

William F. Carr
