Dear Jim

The proposed bottomhole location proposed in this case for the Independence 8 Fed. Com #2 appears to be identical (1980 FNL & 330 FEL H-9-15S-31E) to the bottom hole location previously permitted for the Intrepid Fed. CAO #1, permitted as a 160-acre horizontal in Section 9 in 2008.

Was that well never drilled?

David
