IN THE MATTER OF THE APPLICATION OF  
COG OPERATING, LLC FOR CANCELLATION  
OF OPERATOR'S AUTHORITY AND  
TERMINATION OF SPACING UNITS, YESO  
ENERGY, INC. DOW "B" 28 FEDERAL WELL  
NO. 1, EDDY COUNTY, NEW MEXICO.

CASE NO. 14472

**COG'S RESPONSE TO  
REQUEST FOR CONTINUANCE**

COG Operating LLC, ("COG"), through its counsel, Montgomery and Andrews, P.A., (J. Scott Hall), states its opposition to the Request for Continuance filed by Yeso Energy, Inc. and requests that the motion be stricken or denied for the reasons set forth below.

On April 9, 2010, COG filed its Application with the Division seeking an order canceling the authority of Yeso Energy, Inc. as operator of the Dow "B" 28 Federal Well No. 1 and terminating all Division permits and spacing and proration units that were at any time dedicated to the well located in the SE/4 SE/4 of Section 28, Township 17 South, Range 31 East, NMPM, Eddy County. In its Application, COG requested the matter be set for hearing on May 13, 2010. COG will, by separate application, seek the Division's approval to convert and utilize the well for disposal operations.

In conformance with the Division's rules, notice of the Application was properly and timely sent by COG by certified mail on April 15, 2010. Receipt of the notice was subsequently acknowledged by Yeso Energy's agent, Gene Lee, on May 3, 2010. (See Notice letter and receipt, Exhibit A, attached.) The Division also issued its Notice of Hearing of the Application, followed by publication Examiner Hearing Docket No. 17-10 advertising this case.

On May 6, 2010, counsel for COG and the Division timely filed their Pre-hearing Statements in conformance with Rule 19.15.4.13 B. On May 7, 2010, Yeso Energy, Inc. filed its Entry of Appearance And Request for Continuance, which was received on May 10, 2010. Yeso Energy's entry of appearance is thus untimely. However, because Yeso Energy was timely notified of the hearing, the operation of Division Rule 19.15.4.10 D prevents it from seeking a continuance now.

Yeso Energy, Inc. is well aware of the Division's rules and regulations, but has little regard for them. Yeso Energy has been involved in numerous notices of violation

and subsequent compliance proceedings brought by the Division. By Order No. R-12930-A issued by the Division in case No. 14924, Yeso Energy was ordered to bring all its wells into compliance or show cause why all its wells shouldn't be plugged and abandoned or transferred to another operator. Yeso Energy "wholly failed" to appear at the hearing directing it to show cause and on September 15, 2009, the Division entered Order No. R-12930-B ordering Yeso to plug all its wells or transfer them to another operator no later than March 15, 2010. Yeso did not appeal this order and it is now final. Neither did it honor the order issued by the Division and correspondingly, the Division has moved forward to plug the Yeso Energy wells.

Having exhibited only disregard and contempt for the Division's rules, regulations, administrative orders and adjudicatory orders in the past, Yeso Energy has forfeited any standing it may claim in its attempt to delay COG's Application in this matter. Therefore, Yeso Energy's Request for Continuance should be denied and it should not be allowed to present evidence in accordance with Rule 19.15.4.10 C.

Respectfully submitted,

MONTGOMERY & ANDREWS, P.A.
