13. Describe Proposed or Completed Operations (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomple horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

As per the New Mexico Oil Conservation Division's Case # 13812, Order # R-12820-A Coleman Oil & Gas, Inc. is required to re-enter the Monument #1 and place a cement plug across the entire Cliff House and La Ventana Tounge members of the Mesa Verde Formation and re-plug the Monument # 1 back to surface. Please see the attached procedure for the specifics of the re-entering and re-plugging operations. Coleman Oil & Gas, Inc. currently has a permit for the construction of a reserve pit however to reduce impact has decided to use a closed loop system and is in the process of obtaining approval for the closed loop system from the Oil Conservation Division Aztec Field Office. It is our intention to use the original access to location and existing location to re-enter the Monument #1. All activities will remain on previously disturbed areas. Coleman Oil & Gas, Inc. intends to reclaim access and location as soon as possible. It is anticipated that this will be done within thirty to forty five days with weather permitting. Seeding requirements will take place during seasonal periods as per recommendations and approvals by the Farmington BLM Field Office.
