Re: Application of Pronghorn SWD System for Salt Water Disposal  
Case No. 10693 De Novo

Dear Mr. LeMay:

On behalf of Pronghorn SWD System, I wish to clarify a matter raised by Mr. Stovall's September 16, 1993 letter to you regarding the applicant's request for an indefinite continuance of the above matter. Mr. Stovall indicates that the NMOCD and the State Engineer's Office have no objection to the continuance. While we appreciate the concurrence of the State Engineer in our request, the State Engineer Office was not a party to the case before the Examiner, [Tr. P. 7, lines 16-19; P. 8, lines 21-22; P. 221-223; ] and, therefore, it does not have standing to take a position one way or the other on the continuance, or any other matter which may come before the Commission in this case.

Sincerely,

*Karen Aubrey*
