## STATEMENT OF CASE

### OPPONENT

Lynx Petroleum Consultants, Inc. is a working interest owner in the E/2 W/2 of Section 21, Township 19 South, Range 31 East, NMPM, Eddy County, New Mexico. Cimarex seeks to pool the E/2 W/2 of Section 21, Township 19 South, Range 31 East, NMPM. to drill the Penny Pincher 21 Federal Com Well No. 12 at an orthodox well location. Lynx opposes this application because it believes there are significant differences in reservoir quality between each of the 40-acre spacing units Cimarex proposes to combine. Accordingly, its correlative rights will be violated by denying Lynx its just and equitable share of the oil and gas.
