ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT
OIL CONSERVATION DIVISION**

**APPLICATION OF THE NEW MEXICO OIL
CONSERVATION DIVISION, THROUGH THE
SUPERVISOR OF DISTRICT I, FOR AN ORDER
REQUIRING GORDON M. CONE TO PLUG ONE
WELL, AND AUTHORIZING THE DIVISION TO
PLUG SAID WELL, LEA COUNTY, NEW MEXICO.**

CASE NO. 13190

Affidavit of Jane Prouty

STATE OF NEW MEXICO)
) SS.
COUNTY OF SANTA FE)

Jane Prouty, being first duly sworn on oath, states as follows:

1. I am employed as the supervisor of production and permitting at the Santa Fe, New Mexico office of the Oil Conservation Division ("OCD").
2. My duties include maintaining records of oil and gas production from New Mexico wells.
3. The OCD's information on production comes from monthly production reports filed by the well operators.
4. In 1993 the OCD began using the ONGARD (Oil and Natural Gas Administration and Revenue Database) to record oil and gas production by well. Since 1993, production data from the monthly production reports filed by operators has been entered into ONGARD.
5. When the OCD began using the ONGARD system in 1993, it converted existing production data into ONGARD for those wells that were not shown as "plugged" according to the OCD records available at that time. The pre-1993 production information for each such well was totaled and appears in ONGARD as 1992 production for that well.
