Application of Mewbourne Oil Company for approval of a
non-standard oil spacing and proration unit and compulsory pooling,
Eddy County, New Mexico

Dear Mr. Sanchez:

I have been informed by my client, Mewbourne Oil Company, that they are continuing discussions with Nearburg Producing Company in an attempt to reach an agreement about the subject well.

Accordingly, on behalf of the applicant, Mewbourne Oil Company, I request that the referenced case currently set for hearing on February 3, 2011 be continued to the hearing docket set for March 17, 2011. The only other party is Nearburg Producing Company, represented by Mr. Scott Hall, who has advise me that Nearburg has no objection to this continuance.

Very truly yours,

W. Thomas Kellahin
