*Yates Petroleum Corporation  
Case No. 14598  
Exhibit 5*

---

1.7.11

Mr. Moran:

Contrary to my verbal statement of probably going "non-consent" on the Auvenshine Trust's and on my interest, we have decided to be "force pooled" on this proposed well. By so doing, I am assuming that it is not essential at this time to return the "Stipulation...and Ratification...Joint Op. Agreement".
