Re: West Lovington Strawn Unit

Dear Bill:

Enclosed are the following documents:

1. Crude oil purchase agreements;
2. Gas gathering and processing agreement;
3. Data on operating and gas injection expenses;
4. Production history data;
5. Pressure data;
6. Data on gas injection volumes;
7. PVT data;
8. Permeability data;
9. The reservoir study;
10. My file on the positive production response hearing; and
11. My set of exhibits from the original unitization hearing.

I ask that items 10 and 11 be copied and returned to me; they are my only sets.

If additional material is required, we will make copies, although Bill Crow asked if Yates is willing to pay for those costs.

Very truly yours,

James Bruce
