CASE 7752: In the matter of the hearing called by the Oil Conservation Division on its own motion for an order creating, abolishing, and extending certain pools in San Juan, Rio Arriba, and Sandoval Counties, New Mexico. (This case will be continued to December 16, 1982.)

CASE 7745: (Continued from November 23, 1982, Examiner Hearing)

Application of Maralo, Inc. for compulsory pooling, Eddy County, New Mexico.

Applicant, in the above-styled cause, seeks an order pooling all mineral interests down to and including the Morrow formation underlying the W/2 of Section 12, Township 19 South, Range 29 East, to be dedicated to a well to be drilled at a standard location thereon. Also to be considered will be the cost of drilling and completing said well and the allocation of the cost thereof as well as actual operating costs and charges for supervision, designation of applicant as operator of the well and a charge for risk involved in drilling said well.
