RE: Application of Jack Grynberg & Associates;
Case No. 7749; Application of Harvey E.
Yates Company; Case No. 7771

Dear Mr. Pearce:

This is in connection with Mr. A. J. Losee's letter to you of December 23, 1982 and both of the above referenced cases. In each docket the applicant seeks an order of pooling the NE/4 of Section 18 T9S, R27E.

We concur with Mr. Losee's request that Case No. 7771 be continued until the January 19th hearings and ask that Case No. 7749 be treated in a like manner.

I am advised by the Denver office of Grynberg & Associates that they are presently forthcoming with an application to pool the interests in the E/2 of this Section 18, from the Wolf Camp through the ordovician formation.

Thank you for your assistance in this matter.

Very truly yours,

JONES, GALLEGOS, SNEAD & WERTHEIM, P. A.
