RE: Request for hearing to form the Dagger Unit  
Exploratory Unit  
Sections 19, 30, and 31,  
T-21-S, R-33-E,  
Lea County, New Mexico

Ms. Davidson,

Amtex Energy, Inc. ("Amtex") would like to formally apply for an Oil Conservation Division ("OCD") hearing regarding the approval of the Dagger Unit, an exploratory unit in Sections 19, 30, and 31 of T-21-S, R-33-E, Lea County, New Mexico. The proposed Dagger Unit is composed of six (6) State of New Mexico Leases, totaling 1873.88 acres. Amtex is the lessee of all six (6) leases; therefore the two (2) owners of this unit will be Amtex and the State of New Mexico.

The purpose of unitizing the Dagger Unit is to more effectively develop the stacked pays within the Bone Spring Formation. Given this information, Amtex respectfully requests the next available OCD hearing. Please contact me if you have any questions at (432)770-0913.

Very Truly Yours,

  
William J. Savage  
President
