I will be putting on Case 14612 (Celero). Not a long case.

In Case 14607 (Mewbourne) I will be filing an affidavit of notice, and that's all.

Case 14566 (Cimarex), continue to 4/14.

Case 14524 (Chi), continue to 4/28.

Case 14609 (Devon) will be continued or taken under advisement (I will know tomorrow).

Case 14551 (Nasdel and Gussman), please continue to 4/14.

Jim

Just looking at Thursdays Docket

It has 21 cases

5 Cases have been continued 8352, 14602, 14613, 14614, and 14615

7 Cases have been heard but cont. waiting on notices 14603, 14604, 14605, 14606, 14607, 14566 and 14609

That leaves 9 cases to be heard:

Case 14413 OCD/BTA Macquesten/Carr

Cases 14616 & 14618 Shell Carr

Case 14618 Amtex Munds-Dry(Ocean, please share a hard copy of this email with Mr. Carr)

Case 14612 Celero Bruce

Case 14566 Cimarex Bruce

Case 14524 Chi Bruce

Case 14551 Nadel and Gussman Bruce

Cases 14569 & 14570 Devon Hall

Question is will any of the 9 cases be continued or dismissed?

Please let me know

Thanks,

Terry G. Warnell
