RE: Jalmat Pool Allowables  
OCD Case No. 10111, Order No. R-8170-J

Dear Mr. Examiner:

It is expected that the above matter will be on the hearing docket for December 1993 concerning the continuation of minimum gas allowables under the Jalmat Pool rules.

Doyle Hartman is scheduled to be involved in a trial in Texas during the first part of January 1994. As a result, he and some of his staff will be very occupied during December in preparation for that trial. Given these circumstances, it is requested that the hearing in this case be continued to a February 1994 docket.

Your consideration is greatly appreciated.

Very truly yours,

GALLEGOS LAW FIRM, P.C.
