Re: Application for Authorization to Inject  
Form C-108  
West Airport Fed Com #1  
Eddy County, New Mexico

Dear Mr. Catanach:

Enclosed, please find completed Form C-108, our application for authorization to inject along with all required attachments.

We have obtained the West Airport Fed Com Well #1 wellbore from the Bureau of land Management via Right-of Way grant NMNM-93140. We not plan to convert this wellbore to a public salt water disposal.

Also, we wish to change the name of this wellbore to the Sal Aqua #1 SWD. I believe this will be best accomplished after approval has been granted for the SWD by submitting a Sundry Notice. If this is not the case, please let me know.

If you require any additional information or have any questions regarding this application, please do not hesitate to call as we are most anxious to begin working on this project. Thank you in advance for your consideration to our request.

Sincerely,

Dianne Sumrall
