Re: **Case 11100**
Application of Texaco Exploration and Production Inc. for downhole
commingling, San Juan County, New Mexico

Dear Jim:

In response to your questions of Texaco's engineering witness at the October 13, 1994 hearing in the above-referenced application, I can advise that Texaco has dedicated the N/2 of Section 23, Township 29 North, Range 12 West to its H.J. Loe Federal "B" Well No. 2E.

Notice was given to all interest owners offsetting the N/2 of this section as well as all interest owners within the property.

If you have further questions concerning this application, please advise.

Very truly yours,

WILLIAM F. CARR
