Re: Application of Texaco Exploration and Production Inc. for downhole  
commingling, San Juan County, New Mexico

Dear Mr. Grandin:

Texaco Exploration and Production Inc. filed an application with the New Mexico Oil Conservation Division seeking administrative approval to downhole commingle production from the Fulcher Kutz-Pictured Cliffs Gas Pool and the Basin-Dakota Gas Pool in its H.J. Loe Federal B No. 2E Well located 1700 feet from the North line and 1050 feet from the West line of Section 23, Township 29 North Range 12 West (Unit E), N.M.P.M. San Juan County, New Mexico. Because of the objection of Alpine Oil & Gas Corporation, this application has been set for hearing before an Examiner of the Oil Conservation Division on October 13, 1994 in Santa Fe, New Mexico. You may appear at that hearing and present evidence. Failure to appear at that time and become a party of record will preclude you from challenging this matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Pre-hearing Statement substantially in the form prescribed by the Division. Pre-hearing statements should be filed by 4:00 o'clock p.m., on the Friday before a scheduled hearing.
