Re: Application of Union Oil Company of California d/b/a Unocal for an Infill Gas Well
Location and Simultaneous Dedication, Lea County, New Mexico

Dear Ms. Kauffman:

This letter is to advise you that Union Oil Company of California d/b/a Unocal ("Unocal") has filed the enclosed application with the New Mexico Oil Conservation Division seeking approval to recomplete its Red Hills No. 3 Well in the Upper Wolfcamp formation at a location 1980 feet from the South line and 2180 feet from the West line of Section 5, Township 26 South, Range 33 East, N.M.P.M., Lea County, New Mexico. Unocal also seeks an exception to Division General Rule 104(C)(II) to permit it to simultaneously dedicate the standard 640-acre spacing unit comprised of said Section 5 to its Red Hills No. 3 Well and its Red Hills Unit No. 2 which is located 990 feet from the North line and 1650 feet from the East line at a previously approved unorthodox gas well location in the Red Hills-Wolfcamp Gas Pool.

This application has been set for hearing before a Division Examiner on September 29, 1994. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Pre-hearing Statement substantially in the form prescribed by the Division. Pre-hearing statements should be filed by 4:00 o'clock p.m., on the Friday before a scheduled hearing.
