Re: NMOCD Case 11119

C. M. Morris Well No. 100

Unit G-Sec 10, T27N, R10W

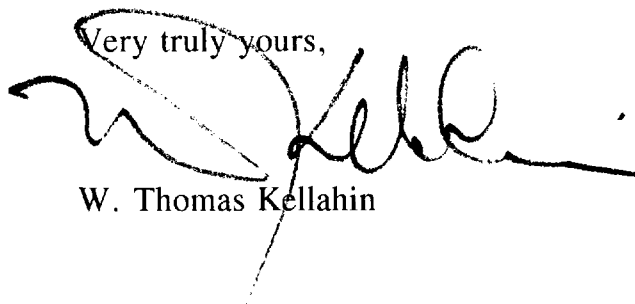

*Application of Meridian Oil Inc. for downhole
commingling and an unorthodox coal-gas well location
San Juan County, New Mexico*

Dear Mr. Morrow:

At the hearing of the referenced case held on October 13, 1994, you requested written verification concerning the allocation formula submitted by Meridian when it previously sought the Division's administrative downhole commingling approval for this same well.

In response, please find enclosed (1) which is the formula submitted with the administrative application and enclosure (2) which is the formula submitted to you at the hearing. They show the same allocation formula in a slightly different format.

Very truly yours,

A handwritten signature in black ink, appearing to read 'W. Thomas Kellahin', is written over the typed name. The signature is fluid and cursive, with a large initial 'W' and a long, sweeping horizontal stroke at the end.
